

Institute for Systems Genomics

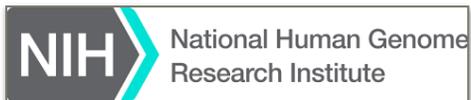

An Institute for Systems Genomics Special Event

Jamil B. Scott, Ph.D., M.P.H.
Senior Scientific Program Analyst
National Institutes of Health
National Human Genome Research Institute
Office of the Director

NHGRI Action Agenda *Building a Diverse Genomics Workforce*

Wednesday April 28, 2021 4:00 pm

Dr. Scott will present **NHGRI's Action Agenda for building a diverse genomics workforce** and highlight some challenges and bold predictions.

Vence Bonham, Jr., J.D., Chair of the 2020 NHGRI internal Genomic Workforce Diversity Working Group, will then join Dr. Scott for a discussion panel about groups that have been identified by NIH as underrepresented in biomedical, clinical, behavioral and social sciences and will address questions and ideas from the audience about how to approach some challenges and fulfill future predictions.

Vence L. Bonham, Jr., J.D.
Senior Advisor to the Director on Genomics and Health Disparities
Associate Investigator
Social and Behavioral Research Branch
National Human Genome Research Institute
National Institutes of Health
